

Miracle Maker Fundraiser and Facebook Fundraiser Integration

Tell more people about your fundraising efforts by using the new Facebook Fundraiser Integration.

Connect your Miracle Maker fundraiser to a Facebook fundraiser:

1. After you create your Miracle Maker fundraising page, log into your Participant Center.
2. Click **Fundraise on Facebook**.

3. Click **Create Fundraiser**.
4. The Facebook login page opens to enter your login information. Enter your login information and the new Facebook fundraiser is created.

A screenshot of the Facebook login page. At the top, there is a blue header with the Facebook logo and the text 'Facebook'. Below this, it says 'Log into use your Facebook account with Blackbaud Fundraiser Test App.' There are two input fields: 'Email or Phone:' and 'Password:'. Below the input fields is a blue 'Log In' button. Underneath the 'Log In' button are two links: 'Forgot account?' and 'Create New Account' (which is highlighted in green).

5. The Participant Center now contains a link to the newly created Facebook fundraiser. The title and story for the Facebook fundraiser are automatically populated with the Personal Page information. If a goal was not set for your Miracle Maker page, the default goal is set to \$150.00.

You can copy/paste the Facebook fundraiser link in an email to send out to friends and family to ask for donations.

Or, click **Go to Facebook Fundraiser** to open the fundraiser in Facebook in a separate tab.

FAQs

Can I create a Facebook Fundraiser from my Miracle Maker registration at any time?

Yes, you can connect a TeamRaiser registration to create a Facebook Fundraiser at any time. Donations already given to the TeamRaiser registration synchronize to the Facebook Fundraiser so that both thermometers match.

Can I connect my Miracle Maker registration to an existing Facebook fundraiser?

No. The connection automatically creates a new Facebook Fundraiser.
